Welcome

Welcome to NZI. Thank you for selecting **us** as **your insurer**.

About this policy

Your Business Interruption Policy consists of:

1. this policy document, and
2. the **schedule**, and
3. any endorsements or warranties that **we** apply, and
4. the information **you** have provided in the **application**.

About Steadfast

Steadfast NZ Ltd (Steadfast) is part of Steadfast Group Ltd, an Australian Stock Exchange listed company. It includes a network of insurance brokerages who operate in New Zealand as Steadfast Brokers. This policy is available exclusively to you through a Steadfast broker. Your duty of disclosure

When **you** apply for insurance, **you** have a legal duty of disclosure. This means **you** or anyone acting on **your** behalf must tell **us** everything **you** know (or could be reasonably expected to know) that a prudent insurer would want to take into account in deciding:

1. to accept or decline **your** insurance, and/or
2. the cost or terms of the insurance, including the excess.

You also have this duty every time **your** insurance renews and when **you** make any changes to it. If **you** or anyone acting on **your** behalf breaches this duty, **we** may treat this policy as being of no effect and to have never existed. Please ask **us** if **you** are not sure whether **you** need to tell **us** about something.

Insurance agreement

Our agreement

You agree to pay **us** the premium and comply with this policy. In exchange, **we** agree to insure **you** as set out in this policy.

What you are covered for

Interruption to your business

You are insured for **business interruption** resulting from **insured damage**.

Please also see 'Contingent Business Interruption Extensions' and 'Optional Policy Extension' for other circumstances that we consider to be insured damage.

Insured items

You only have cover for the following 'Insured Items' that are specified in the **schedule** as 'Insured'.

Loss of insured profit

1. **Reduction in turnover:**

You are insured for loss of **insured profit** produced by the following formula:
[the **rate of insured profit**] x [the **reduction in turnover**].

2. **Increase in cost of working:**

You are insured for necessary and reasonable additional expenditure **you** incur solely to avoid or diminish the **reduction in turnover**. Provided that this additional expenditure does not exceed the sum produced by the following formula:
[the **rate of insured profit**] x [the amount of the **reduction in turnover** avoided by the additional expenditure].

3. **Reduced Margin**

You are insured for the reduction in **insured profit** that equitably results from the increase in ratio of: [the cost of materials used and goods sold] to [turnover], if **turnover** is maintained during the **indemnity period**, but at a **rate of insured profit** that is less than would have been achieved but for the **insured damage**. However, **you** are not insured for the reduction in **insured profit** that results from any change to any of the other **uninsured working expenses** that affects this ratio. *This is because the increase may result from a fixed cost element in the expenses that has not been insured.*

4. **Savings in insured expenses:**

We will deduct from **your** claim any sum saved during the **indemnity period** for costs and expenses of **your business** operations (that would be paid out of **insured profit**) that cease or reduce because of the **insured damage**.

You are insured for **reduction in rent**.
2. **Increase in cost of working:**
You are insured for necessary and reasonable additional expenditure **you** incur solely to avoid or diminish the **reduction in rent**. Provided that this additional expenditure does not exceed the amount of the **reduction in rent** avoided by the additional expenditure.
3. **Savings in insured expenses:**
We will deduct from **your** claim any sum saved during the **indemnity period** for costs and expenses of **your business** operations (that would be paid out of **rent**) that cease or reduce because of the **insured damage**.

3. **Savings in insured expenses:**
We will deduct from **your** claim any sum saved during the **indemnity period** for costs and expenses of **your business** operations (that would be paid out of **revenue**) that cease or reduce because of the **insured damage**.

Payroll

1. **Loss in respect of payroll:**

 [the **rate of payroll**] x [the **reduction in turnover**].
2. **Increase in cost of working:**
You are insured for necessary and reasonable additional expenditure **you** incur solely to avoid or diminish the **reduction in turnover**. Provided that this additional expenditure does not exceed the sum produced by the following formula:
 [the **rate of payroll**] x [the amount of the **reduction in turnover** avoided by the additional expenditure].
3. **Savings in payroll:**
We will deduct from **your** claim any sum saved during the **indemnity period** for **payroll** that ceases or reduces because of the **insured damage**.

Payroll - dual basis

1. **Reduction in turnover:**
 - 1.1. **Initial period**

 [the **rate of payroll**] x [the **reduction in turnover**] - [any savings in **payroll**].
 - 1.2. **Remaining Period**
You are insured for the sum produced by the following formula for the remaining portion of the **indemnity period**:
 [the **rate of payroll**] x [the **reduction in turnover**] - [any savings in **payroll**],

but not exceeding the sum produced by the following formula:

[the remainder percentage shown in the **schedule**] x [the **rate of payroll**] x [the **reduction in turnover**] + [any savings in **payroll** deducted under 1.1 of this 'Insured Item'].

Please note: If **you** choose, the **alternative period** shown in the **schedule** may be substituted for the **initial period** provided that the claim under 1.2 of this 'Insured Item' does not exceed savings in **payroll** deducted under 1.1 of this 'Insured Item'.

2. **Increase in cost of working:**

In addition to 'Loss of Insured Profit – 2. Increase in cost of working', **you** are insured for necessary and reasonable additional expenditure **you** incur solely to avoid or diminish the **reduction in turnover**. Provided that this additional expenditure does not exceed the amount that would have been payable under 'Payroll – Dual Basis, Parts 1.1 and 1.2' above had such expenditure not been incurred.

Wages – dual basis

2. **Increase in cost of working:**

In addition to 'Loss Of Insured Profit – 2. Increase in cost of working', **you** are insured for necessary and reasonable additional expenditure **you** incur solely to avoid or diminish the reduction in **turnover**. Provided that this additional expenditure does not exceed the amount that would have been payable under 'Wages – Dual Basis, Parts 1.1 and 1.2' above had such expenditure not been incurred.

Wages in lieu of notice

You are insured for:

1. **wages** that **you** have to pay to employees whose services cannot be used at all during the notice period shown in the **schedule**, because of the **insured damage**, and
2. a fair percentage (based on **reduction in turnover** or other agreed index) of **wages** that **you** have to pay to employees whose services cannot be used in full during this period, because of the **insured damage**.

The most **we** will pay for any week's **wages** is the sum produced by the following formula:

[the Wages in Lieu of Notice sum insured shown in the **schedule**] ÷ [the number of weeks in the notice period shown in the **schedule**].

Redundancy pay

You are insured for the amount of redundancy pay **you** are required to pay to employees, in accordance with their employment contract, who become redundant as a result of the **insured damage**.

1. to avoid or diminish the **reduction in turnover**, or
2. to resume or maintain normal **business** operations.

- (a) covered under 'Insured Items - 2. Increase in cost of working', until the amount of cover under that Insured Item for those expenses is exhausted, or
- (b) incurred for reinstating **your** property damage.

Penalty payments

You are insured for any penalties, damages or other amounts which **you** are legally liable to pay, in accordance with the terms and conditions of any contract, for any unavoidable breach of contract by **you** during the **indemnity period** resulting from any interruption to or interference with **your business** solely as a result of **insured damage**.

Contractual commitment

You are insured for the amount **you** are legally liable to pay under contracts for purchases unavoidably not used during the **indemnity period** resulting from any interruption to or interference with **your business** solely as a result of **insured damage**, less any sums received or receivable by **you** in respect of such purchases through any salvage handling operations or resale.

Redeployment expenses

You are insured for expenditure reasonably incurred by **you** during the **indemnity period** for the necessary relocation of employees whereas a result of the **insured damage**, **you** elect to permanently redeploy employees at any alternative sites. This will include all such expenses as **you** would normally incur or reimburse to employees when transferring employees and their families and pets to a different place as their permanent residence for the purpose of the **business**.

Automatic policy extension

The following Automatic Policy Extension applies.

Option to defer commencement of the indemnity period

You may elect to defer the start of the **indemnity period** after **insured damage** occurs on the following basis:

1. **you** must notify **us** (in writing or by electronic means) within 90 days of the **insured damage** occurring of **your** intention to defer the commencement of the **indemnity period**, and
2. the deferred **indemnity period** must start:
 - (a) no later than the number of months specified in the **schedule** as the 'Indemnity Period', or
 - (b) within 12 months of the date the **insured damage** occurred,
 whichever is the earlier, otherwise this option to defer expires, and
3. the **indemnity period** cannot be deferred if **we** have already paid a claim under any 'Insured Item' of this Business Interruption policy (other than for Rewriting of Records, or Claims Preparation Costs in respect of **your material damage policy**) resulting from that **insured damage**.

When **you** do elect to defer commencement of the **indemnity period** as described above, then:

- A. **you** must notify **us** (in writing or by electronic means) of the actual date on which **you** elect the **indemnity period** to start as soon as possible, but no later than 30 days after that actual date, and
- B. the definition of **standard turnover** is deleted and replaced with:

'The **turnover** during the period in the previous 12 months immediately before the date of the **insured damage**, subject to any adjustments as per 'What We Will Pay – Standard Adjustments'.

If **insured damage** occurs before the end of the first year in business, the results to date will be the basis for establishing standard turnover', and
- C. the definition of **standard revenue** is deleted and replaced with:

'The **revenue** during the period in the previous 12 months immediately before the date of the **insured damage**, subject to any adjustments as per 'What We Will Pay – Standard Adjustments'.

If **insured damage** occurs before the end of the first year in business, the results to date will be the basis for establishing standard revenue'.

Contingent business interruption extensions

We provide the following Contingent Business Interruption cover. **You** only have this cover for the 'Insured Items' shown in the **schedule**.

We will consider each of the **business interruptions** in the following extensions to have resulted from **insured damage** and **we** will calculate **your** claim as set out in the relevant 'Insured Item' specified in the **schedule**.

HOW MUCH WE WILL PAY

What we will pay

Maximum amount payable for insured items

The most **we** will pay during an **indemnity period** for any one 'Insured Item' is the specific sum insured shown in the **schedule** for that 'Insured Item'.

Accumulated stock

If there is a shortage of stock after the **indemnity period** ends because the **turnover** was temporarily maintained from accumulated stock held by **you** during the **indemnity period**, **we** will make a fair allowance for this in settling the claim.

Departments

If **your business** operations are conducted in departments that have separately identifiable trading results, this policy shall apply separately to each department. However, 'What We Will Pay – Maximum Amount Payable for Insured Items' remains unchanged and any claim settlement shall be calculated by reference to the trading results of all departments affected (whether positively or negatively) by the **business interruption**.

Standard adjustments

When calculating **your** claim under all 'Insured Items', **we** will make allowance for adjustments that are necessary to provide for:

1. the trend of **your business** operations, and
2. variations in **your business** operations, and
3. other circumstances affecting **your business** operations,

that:

- (a) occur before or after the start of the **indemnity period**, or
- (b) would have affected **your business** operations had the **insured damage** not occurred, so that the final adjusted figures should represent, as close as is reasonably practicable, the results that would have been achieved during the **indemnity period** but for the **insured damage**.

We will take into account both positive and negative adjustments to your business operations.

reduction in revenue - The proportional equivalent, for a period equal to the **indemnity period**, of the **revenue** realised during the period between the date of the commencement of the **business** and the date of the **insured damage**.

reduction in turnover - The proportional equivalent, for a period equal to the **indemnity period**, of the **turnover** realised during the period between the date of the commencement of the **business** and the date of the **insured damage**.

Joint insured

Where, for the purpose of avoiding or diminishing a **reduction in turnover**, **you** purchase goods or services from another person who is listed as the Insured (if more than one person/entity is named in the **schedule** as the 'Insured'), the reasonable full purchase price of the goods or services (less any discount normally allowed) will be taken into account for the purposes of adjusting a claim as though the goods or services were purchased during the course of normal **business** operations.

Property not in use

The policy is extended to cover **business interruption** arising out of sudden and **accidental loss** to any tangible property which at the time of the **loss** was not being used by **you** for the **business**, but for which there was already a signed, written agreement in place to use the property for the **business** during the **indemnity period**.

However, this does not extend to any property that is in the course of installation, construction or erection.

How to claim

What you must do

If anything happens that may lead to a claim under this policy, **you** must:

1. do what **you** can to minimise the **business interruption** and to prevent any further loss, expense or liability, and
2. tell **us** as soon as possible, and
3. notify the police as soon as possible if **you** think any loss was caused by an illegal act, and
4. not destroy or dispose of anything that is or could be part of a claim, and
5. send to **us** as soon as possible anything **you** receive from anyone about a claim or possible claim against **you**, and
6. give **us** any information or help that **we** ask for, and
7. consent to **your** personal information, in connection with the claim, being:
 - (a) disclosed to **us**, and
 - (b) transferred to Insurance Claims Register Limited.

What you must obtain our agreement to do

You must obtain **our** agreement before **you**:

1. incur any expenses in connection with any claim under this policy, or
2. negotiate, pay, settle, admit or deny any claim against **you**, or
3. do anything that may prejudice **our** rights of recovery.

Dishonesty

If **your** claim is dishonest or fraudulent in any way, **we** may:

1. decline **your** claim either in whole or in part, and/or
2. declare either this policy or all insurance **you** have with **us** to be of no effect and to no longer exist from the date of the dishonest or fraudulent act.

This is at **our** sole discretion.

Actions we may take

1. **Subrogation**

Once **we** have accepted any part of **your** claim under this policy, **we** may assume **your** legal right of recovery.

If **we** initiate a recovery **we** will include **your** excess, and any other uninsured losses suffered by **you**. Where **we** do this, **you** agree to pay **your** proportional share of the recovery costs, and subsequently the proceeds of the recovery will be shared on the same proportional basis, except that **we** will reimburse **your** excess first.

You must fully co-operate with any recovery process. If **you** do not, **we** may recover from **you** the amount paid in relation to the claim.

2. **Reparation**

If any person is ordered to make reparation to **you** for **business interruption** that **we** have paid a claim for under this policy, then **you** must tell **us**. Any payments received must first reimburse **our** claims payment up to the amount of any reparation received.

Mutually acceptable assessors

Where **we** appoint any loss adjuster, assessor, surveyor, valuer or investigator to any claim under this policy, the appointee must be mutually acceptable to both **ourselves** and **you**.

General conditions

How we administer this policy

1. Cancellation

BY YOU

You may cancel this policy at any time by notifying **us**. If **you** do, **we** will refund any premium that is due to **you** based on the unused portion of the **period of insurance**. **You** must pay any outstanding premium due for the used portion of the **period of insurance**.

BY US

We may cancel this policy by giving **you** or **your** broker notice in writing or by electronic means at **your** or **your** broker's last known address. **Your** policy will be cancelled from 4pm on the 30th day after the date of the notice. **We** will refund **you** any premium that is due to **you** based on the unused portion of the **period of insurance**.

Unless otherwise specified in this policy the change in terms will take effect from 4pm on the 30th day after the date of the notice.

You must notify **us** as soon as **you** know of any other insurance policy that covers **you** for any of the risks covered under this policy.

This policy does not cover **your** loss at all if it is insured to any extent under any other insurance policy.

We will not contribute towards any claim under any other insurance policy.

4. Separate Insurance

If more than one person or entity is named as 'Insured' in the **schedule**, then all the parties are insured separately (as though a separate policy had been issued to each person/entity).

However, the most **we** will pay to all parties in total is the amount stated 'What We Will Pay – Maximum Amount Payable For Insured Items'.

5. Premium Payment Options

If **you** choose to pay the premium other than annually, then:

- (a) **you** must pay by direct debit using the Deduction Authority **we** require, and
- (b) this policy is for the initial **period of insurance** stating on the 'From' date and ending on the 'To' date stated in the **schedule**.

The policy will be renewed for further monthly or quarterly periods of insurance (as indicated in the **schedule**) by payment of each premium due under the Deduction Authority.

6. Premium Adjustments

If the premium for this policy has been calculated based on estimated figures, then the premium is only a provisional premium for the **annual period**.

Within 3 months of the expiry of the **annual period**, **you** must tell **us** what the actual figures are. **We** will re-calculate **your** actual premium based on the actual figures.

The difference between the actual and the provisional premiums will either be payable to **us** or refunded to **you** depending on the outcome of the adjustment, but any refund will be limited to a maximum of 50% of the provisional premium.

- (a) decline **your** claim either in whole or in part, and/or
- (b) declare either this policy or all insurance **you** have with **us** to be of no effect and to no longer exist.

The insurance provided by this policy will not be invalidated or prejudiced by reason of any breach of Warranty or Condition of this policy where the breach occurs without **your** knowledge and consent.

Provided that notice is given to **us** as soon as practicable once **you** become aware of any such breach and **you** agree to pay an appropriate additional premium if required.

2. True Statements and Answers

True statements and answers must be given, whether by **you** or any other person, when **you**:

1. apply for this insurance, and or
