Vehicle value and sum insured

It is **your** responsibility to ensure that the **sum insured** under this policy is adequate to pay for **your** entire **loss** if **your vehicle** is a **total loss**.

Your responsibilities

You must comply with all the terms and conditions of this policy. If **you** do not do so **your** claim may not be payable. However, nothing in this policy affects **our** rights and remedies under the Contracts of Insurance Act 2024.

Excesses

The **excess(es)** specified in the **schedule** or in any policy extension applies to each **event** causing **loss** or liability which is covered by this policy.

Where a single **event** causes **loss** to one **vehicle** which is covered under this policy, the **excess** applied will be the total of all applicable **excesses** (including the standard **excess** and any **excesses** under any applicable policy extensions).

Where a single **event** causes **loss** to more than one **vehicle** which is covered under this policy, the **excess** applied will be the highest of the total of all applicable **excesses** (including the standard **excess** and any **excesses** under any applicable policy extensions) for any one of the **vehicles**.

Your obligations before and after the contract is entered into

You have a duty to take reasonable care not to make a misrepresentation to **us**. This duty applies before the insurance policy is entered into, and in respect of any requested variations after the policy has been entered into. Failure to take reasonable care not to make a misrepresentation may enable **us** to charge additional premium, apply different terms or conditions, reduce the amount payable for any claim, or avoid the policy and refuse all claims, and in some cases retain the premium.

Change of circumstances

You must tell **us** immediately if, at any time after the commencement of this policy, there are any changes that may alter the nature of the risk insured or increase the likelihood of a claim under this policy.

If **you** do tell **us** of any such changes, **we** may alter the premium and/or any terms and conditions of this policy or cancel the policy.

Headings

The headings in this policy document are for reference only. They are not to be used for the purposes of interpreting the policy document.

Defined words

Words shown in **bold** have a defined meaning as set out in the Definitions section starting on page 78 of this policy document.

30 day money back guarantee

If **you** are not satisfied with the cover provided by the policy, **you** may return the policy within 30 days of receiving it. If **you** have made no claims during this period **we** will give **you** a full refund of any premium paid.

Privacy Statement

Star Insure and Berkshire Hathaway Specialty Insurance understand the trust that **you** place in **us** when **you** provide **us** with **your** personal information relating to this insurance policy. **We** are bound by the Privacy Act 2020 (the Act) when **we** collect and use **your** personal information. **Our** privacy policies can be viewed on **our** website locations as listed here:

- a. <https://starinsure.co.nz/privacy-policy/>

You are only covered under this policy where **your vehicle** is being used by **you** or by anyone else with **your** permission and in accordance with the requirements set out in the description of "Authorised drivers" as stated in the **schedule**.

This policy only applies where (and it is a condition precedent to the policy that)

your vehicle:

- a. is being used within New Zealand; and
- b. is being used for:
 - i. private, domestic, social or pleasure purposes;
 - ii. farming purposes;
 - iii. business or professional purposes stated in **your** proposal, application or declaration and accepted by **us**;
 - iv. unpaid community activities including religious, social welfare or youth support organisations.

This policy does not apply where **your vehicle** is being used:

- a. for hire or reward;
- b. for carrying of fare paying passengers;
- c. on a racetrack whether sealed or not and whether in the presence of other vehicles or not;
- d. for practicing, preparing for or taking part in any event at racetracks, competition circuits, courses, arenas or other motor sport venues. Such events include but are not limited to races, rallies, demonstrations, hill climbs, pace-making, tests, trials, closed road events, **vehicle** handling lessons or any similar or like activities whether organised or not;
- e. for any driver education or instruction, except where teaching a person to drive, provided all legal requirements are complied with and that such teaching is not for reward or financial gain;
- f. for any film, television or recorded stunt work;
- g. for business or professional purposes other than those stated in **your** proposal, application or declaration and accepted by **us**;
- h. outside New Zealand;

unless **we** have agreed to cover any of the above and this is stated in the **schedule** or by endorsement.

III. Types of Cover

Each type of cover is subject to the terms, conditions and exclusions set out in this policy.

The various types of available cover are set out below. The specific type of cover that applies to **your vehicle** will be shown in the **schedule**.

References to policy extensions within the types of cover below do not include optional extensions. Optional extensions are not included in the types of cover unless **you** have purchased the extension and it is shown in the **schedule**.

Comprehensive cover

If the **schedule** shows "Cover type: Comprehensive cover", the following policy sections apply:

- a. Section One ("Loss to your Vehicle") and Section Two ("Legal Liability"); and
- b. all the policy extensions that apply to **your vehicle** definition.

Third party, fire and theft

If the **schedule** shows "Cover Type: Third party, fire and theft", the following policy sections apply:

- a. Section One ("Loss to your Vehicle"), but only in respect of **accidental loss** to **your vehicle** caused by fire or lightning, explosion, or theft or unlawful conversion and not including any Section One policy extensions except as set out below;
- b. Section One policy extensions "At fault third party protection" PE2 and "Fire extinguisher replenishment costs" PE13; and
- c. Section Two ("Legal Liability").

Third party only

If the **schedule** shows "Cover type: Third Party only", there is no standard cover under Section One. Only the following policy sections apply:

- a. Section One policy extension "At fault third party protection" PE2; and
- b. Section Two ("Legal Liability").

Storage, restoration and transit

If the **schedule** shows "Cover type: Storage, restoration and transit", Section One ("Loss to your Vehicle") and Section Two ("Legal Liability") apply, but only where **your vehicle** is:

- a. In storage; or
- b. Undergoing restoration; or
- c. Being transported directly to or from a place of repair for the purpose of, inspection, servicing, repair or restoration, and
- d. The **vehicle** has not travelled more than 500km under its own motive power during the twelve-month period preceding the date of **loss**.

IV. Section One - Loss to your Vehicle

What you are covered for

You are covered for **accidental loss** to **your vehicle** which occurs in New Zealand during the **period of insurance** subject to the selected type of cover as shown in the **schedule** and the terms, conditions and exclusions of this policy.

What we will pay

Repairable

If **we** consider **your vehicle** is economic to repair, **we** will at **our** option:

- a. pay for the repair of the damaged portion of **your vehicle**; or
- b. pay **you** the cost of repair as estimated by **our** assessor.

We will also, if necessary, pay the reasonable costs of:

- a. transporting the damaged **vehicle** to its place of repair; and
- b. at **our** option, either returning the repaired **vehicle** to its usual location in New Zealand or, transporting **you** to the place of repair so that **you** can collect the repaired **vehicle** in person,

provided that **we** must first approve such costs and their amount before they are incurred.

If **we** choose to pay for the repair of the damaged portion of **your vehicle**, **you** may use the repairer of **your** choice, but **we** will not pay more than **our** assessor's estimate of the cost of repair.

If the repair results in an improvement to the **vehicle's** pre-**accident** condition or increases the value of the **vehicle**, then **we** may require **you** to make a contribution towards the cost of repairs.

If **we** choose to pay for the repair of the damaged portion of **your vehicle**, **our** assessor's estimate will be based on parts which:

- a. are of the same or similar type as those in or on **your vehicle** at the time of the **loss**;
- b. are consistent with the type, age and general condition of the **vehicle**; and
- c. will not invalidate the **vehicle** manufacturer's warranty if still applicable to the **vehicle**.

If any required parts are not available in New Zealand, **we** will pay the reasonable cost of having those parts sourced and shipped from overseas.

If a part is not available in New Zealand or overseas, **we** will pay the lesser of:

- a. the last known list price in New Zealand;
- b. the price of the part's closest equivalent; or
- c. the cost of making a new part.

Where any part or parts forms part of a pair, set or suite **we** will only pay the market value of the particular part or parts suffering **loss**. Any payment will be without reference to any special value such item or items may have as part of such pair, set or suite.

The most **we** will pay in respect of the repair of **your vehicle** is the **sum insured**.

Total Loss

If **we** consider **your vehicle** to be a **total loss**, we will pay **you** the **sum insured**, if:

- a. the **vehicle** was purchased from a Licensed Motor Vehicle Dealer within five years prior to the date of **loss**, **you** provide **us** with a copy of the sale and purchase agreement evidencing the purchase price of the **vehicle**, and the price **you** paid for the **vehicle** is the same as or greater than the **sum insured**;
- b. **you** provide **us** with a written valuation of the **vehicle** which has been prepared by a Licensed Motor Vehicle Dealer or valuer approved by **us** and which is less than five years old as at the date of **loss**; or
- c. the **sum insured** is no greater than 20% more than the **vehicle's market value** at the time of the **loss**.

If **you** are unable to comply with any of the above conditions (a)-(c), the most we will pay is the **vehicle's market value**.

On payment of a **total loss**:

- a. **we** are entitled to take legal possession and ownership of the **vehicle**; and
- b. this policy will be cancelled and **you** will not be entitled to any refund of premium except in accordance with policy extension "Premium credit" (PE35), if applicable.

Policy extensions

If you have selected "Cover Type: Comprehensive cover" as shown in the schedule and defined in the "Types of Cover" section, the following policy extensions are automatically included in your policy unless otherwise stated.

Some policy extensions may be included with other cover types, as specified in the "Types of Cover" section.

Unless otherwise stated, the policy extensions are subject to all terms, conditions and exclusions of this policy.

Some policy extensions contain separate limits which, unless otherwise stated, are in addition to the **sum insured**.

Some policy extensions may be subject to an additional or adjusted **excess**, as specified.

Additions and deletions (PE1)

All **vehicles you** acquire during the **period of insurance** will be covered by this policy from the date of acquisition, provided that **we** are advised of all acquisitions within 30 days of acquisition and an additional premium is paid if requested by **us**.

The maximum **sum insured** for an additional **vehicle** acquired during the **period of insurance** is the purchase price of that **vehicle** subject to a maximum of \$150,000 unless an alternative value is advised to, and agreed by **us**, in writing.

All **vehicles** which **you** dispose of during the **period of insurance** will be treated as deleted from cover as of the date of disposal.

If there is an addition to or deletion from cover, **we** will adjust the premium and/or the terms of the cover at the subsequent renewal or at an earlier date if agreed to by **us**, using **our** premium rates which are current at the time of the adjustment.

For the purposes of this policy extension, “market value” means the sum at which the same item could have been purchased immediately before the **loss**.

Condemned buildings and car parks (PE7)

If, as a result of a natural disaster **you** are unable to recover **your vehicle** from a building or carpark due solely to the denial of access to that building or carpark, **we** will pay for the reasonable costs of hiring a similar replacement vehicle.

The most **we** will pay under this policy extension is \$100 per day up to a maximum of \$10,000 in total for any one **event**.

This policy extension does not apply:

- a. if **you** have available a free substitute vehicle or purchase an additional vehicle;
- b. to fuel, vehicle running or maintenance costs or insurance costs (including any excess reduction charges) charged by the hire company;

If the item is damaged and **we** consider it economic to repair, **we** will at **our** option:

- a. pay the cost to repair the damaged item as near as possible to the condition it was in immediately before the **loss** occurred; or
- b. pay **you** the cost of repair as estimated by **our** assessor,

but not exceeding the limit of cover in respect of the particular item as specified in this policy extension or as shown in the **schedule**.

If the item is damaged and **we** consider it uneconomic to repair, or if the item has been stolen and not recovered within 14 days of the theft being reported to **us**, **we** will pay **you** the item’s market value up to but not exceeding the limit of cover in respect of the particular item as specified in this policy extension or as shown in the **schedule**.

VII. Claims Conditions

What you must do

As soon as **you** are aware of any **events** or circumstances which may lead to a claim under this policy **you** must:

- a. notify **us** as soon as possible;
- b. report to the New Zealand Police as soon as possible if **you** suspect any **loss** was caused by any crime or illegal act;
- c. take all reasonable steps to minimise **your loss** or liability, and to avoid any further **loss** or liability;
- d. take all reasonable steps to provide **us** with details of any other person(s), property or vehicles involved in the **event** giving rise to the claim, including, at a minimum:
 - i. the registration number(s) of any other vehicle(s) involved;
 - ii. the names, addresses, and contact details of any other driver(s) and any witness(es);
 - iii. details of any other property damaged;
- e. fully complete and provide **us** with an approved claim form as soon as possible;
- f. allow **us** unhindered access to investigate, inspect and assess the **loss** or liability. If any permanent repairs to the **vehicle** are to be carried out, **you** must allow **us** access to the **vehicle** before such repairs are carried out;
- g. forward to **us** immediately all relevant information and correspondence, including any correspondence advising of a claim or possible claim against **you** and any court documents;
- h. advise **us** immediately if **you** are charged with any offence in relation to the use of **your vehicle** where such offence relates to **loss** to property or **bodily injury** to another person; and
- i. provide any other information or assistance **we** may reasonably request, including attending an interview with any person **we** nominate and/or providing a statutory declaration verifying any details of the **loss** or liability.

What you must not do

If **you** wish to make a claim on this policy, **you** must not:

- a. dispose of or abandon any property in respect of which **you** are making a claim;
- b. start any repairs without **our** permission unless it is necessary to prevent further **loss**;
- c. admit responsibility for any **loss** or liability; or
- d. say or do anything that may prejudice **our** ability to defend, negotiate or settle a claim made against **you** or make recovery of the **loss** from any other person who may be responsible for it.

After you have made a claim

After **you** have made a claim under this policy:

- a. **we** have the sole right to act in **your** name and on **your** behalf to negotiate, defend or settle any action against **you**, at **our** own expense (except in relation to any **excess** that may apply). **We** may appoint **our** own lawyers to defend the matter who will report to **us**;
- b. **we** may take over in full any legal right of recovery that **you** have against any other person. **You** must:
 - i. cooperate with **us** and provide full assistance including, without limitation, providing documents and other evidence and attending court hearings if required; and
 - ii. not voluntarily or knowingly release any third party from liability for **loss** insured by this policy unless **we** give permission for this.

If **you** do not cooperate or provide assistance to **us** as required, **you** must repay any amounts **we** have paid to **you** or any other party in respect of the claim;

- c. if **we** initiate a recovery, **we** will include any uninsured losses suffered by **you** (excluding **your excess**), subject to an agreement between **us** in respect of the sharing of recovery costs and apportionment of any recovery proceeds. Where **we** do this, **you** agree, at **your** own expense to provide **us** with satisfactory evidence of any uninsured losses.
- d. if any lost or stolen property for which **we** have paid a claim is later found or recovered, **you** must tell **us** immediately and, if **we** request it, return the property to **us**;
- e. if, in respect of a claim **we** have paid, **you** receive any money from any person ordered to make **reparation** to **you**, **you** must reimburse **us** for **our** payment, subject to adjustment if **you** have not been fully indemnified for **your loss** provided that any such adjustment will itself be subject to the terms of any costs/recovery proceeds sharing agreement referred to in sub-paragraph (c) above;
- f. **we** are entitled to take legal possession and ownership of property, including the proceeds of sale from any such property, in respect of which **we** have paid a claim under this policy, subject to adjustment if **you** have not been fully indemnified for **your loss**; and
- g. where required by law, **we** will notify the **vehicle** to the NZTA. The NZTA or other government department may as a result deregister and/or flag the **vehicle**.

Incorrect statements, dishonesty and fraud

If any claim under this policy is in any respect dishonest or fraudulent or is supported by any incorrect information or statements:

- a. all benefits under the policy will be forfeit and **your** claim will not be payable. If the claim or any part of it has already been paid, then it will be repayable by **you** to **us**;
- b. the policy automatically terminates from the date of the dishonest or fraudulent act, and you will not be entitled to any return of premium; and
- c. **we** may also cancel any other policy **you** have with **us**.

VIII. General Conditions

Breach of conditions

No claim shall be payable where any person entitled to indemnity under this policy breaches any of the policy terms and conditions. However, nothing in this policy affects **our** right to avoid the policy for non-disclosure.

Cancellation by us

We may cancel this policy at any time by giving **you** notice in writing or by email to:

- a. **your** last known postal address or email address on **our** records; or
- b. **your** broker.

The cancellation will take effect at 4 PM on the 14th day after the date of the notice unless **we** have cancelled the policy for non-payment of premium, in which case cancellation will take effect from policy inception. **We** will refund to **you** a pro rata proportion of any premium already paid, unless **we** have cancelled the policy on the basis of incorrect statements, dishonesty or fraud in the making of a claim.

Cancellation by you

You may cancel this policy at any time by giving **us** notice in writing, by email or by telephone.

The cancellation will take effect immediately. Provided **you** have not made a claim during the **period of insurance**, **we** will refund to **you** a pro rata proportion of any premium already paid to **us**, less a \$50 administration fee.

Joint insurance

If this policy insures more than one person or entity, then all persons and/or entities are jointly insured. If one of the persons or entities does or fails to do anything so that there is no cover, there will be no cover for anyone, not just the person or entity responsible for the relevant act or omission.

Modifications

You must tell **us** and obtain **our** written approval of any modifications that are, or have been, made to the manufacturer's standard specifications for **your vehicle** or of the addition of any accessories to **your vehicle** which change its performance and/or value.

Other insurance

If, at the time of any claim arising under this policy, there is any other valid and collectable insurance covering all or part of the same **loss** or liability, this policy will apply only to the amount of any **loss** or liability in excess of that recoverable under the other insurance.

Other interested parties

If **you** have notified **us** of any other party who has a financial interest in **your vehicle**, **we** may at **our** option pay all or part of any claim proceeds to that other party. Such payment will meet all **our** obligations to **you** under the policy to the extent of that payment.

By notifying **us** of the interested party, **you** authorise **us** to disclose personal information about **you** to that party.

Any such party who has a financial interest is not insured by this policy and has no rights to claim under the policy.
